A 3D architectural rendering of a courtyard or plaza. In the foreground, a wide, light-colored paved path leads towards a central area. To the left, a dark brown path branches off, and to the right, a similar path leads towards a large, grey, rectangular building. The central area features a mix of light and dark brown paving, with several trees planted along the edges. In the background, a multi-story building with a curved facade and many windows is visible. The sky is a uniform light grey.
